About Coeur

Coeur Mining is a well-diversified, growing precious metals producer with five precious metals mines in the Americas employing approximately 2,000 people. Coeur produces from its wholly owned operations: the Palmarejo silver-gold complex in Mexico, the Rochester silver-gold mine in Nevada, the Kensington gold mine in Alaska, the Wharf gold mine in South Dakota, and the San Bartolomé silver mine in Bolivia. The Company also has a non-operating interest in the Endeavor mine in Australia as well as a royalty interest in Ecuador. In addition, the Company has two silver-gold exploration stage projects - the La Preciosa project in Mexico and the Joaquin project in Argentina. Coeur conducts ongoing exploration activities in Alaska, Nevada, South Dakota and Mexico.
